

Week 4

Summary Document

- Scrum Master for next week:
 - Mischa
- List at least 5 things the team did well and will continue doing:
 - Self-care
 - Taking initiative
 - Use of code
 - Going to office hours
 - Getting and using provided help.
- List at least 3 things the team did poorly and how you will mitigate them next sprint:
 - Find time to focus on Data.
 - Communication/Scrum process
 - GitHub use and understanding
- List shout-outs to any team members for excelling in any way:
 - Lindsay: prison data analysis
- What did you learn as a team this week?
 - We are strong independent members; hard for us to hold each other responsible and find motivation and accountability
- What did you learn as an individual this week?
 - I work best with small amounts of direction.

Code review
